PLAY AS A GROUP – ALL FOR ONE. WON FOR ALL!

If you have a group of friends or family, a System Entry is a great way to give the group more chances to win. Organising a group is easy, here's how to do it:

1. **Choose someone to be the group leader.** They'll be in charge of organising who's in the group, how much everyone is putting in and buying the entry.
2. **Record all the names of who is in the group.** More copies of this template are available at nswlotteries.com.au
3. **Decide how much everyone is putting in.** It could be \$5; it could be \$10 or even \$20.
4. Once the money is collected, **purchase the System Entry** that suits your budget at your local NSW Lotteries Outlet or nswlotteries.com.au

PLEASE NOTE: Entries purchased by a customer for the purposes of conducting their own syndicate are not "Outlet Syndicates" unless (and only to the extent that) such share/s are purchased wholly in accordance with the Outlet Syndicate Conditions of Sale posted in all Outlets. This Syndicate Record is for a customer's use only and shall have no proof of validity of entry into a lottery or participation in an Outlet Syndicate, or for any other purpose whatsoever. Customers are advised that NSW Lotteries will recognise only the person/s by whom a prize winning entry ticket is surrendered as the absolute owner (and where more than one person presenting and/or named thereon, then in equal shares) and NSW Lotteries shall not be bound by any rule or agreement made between a customer and its syndicate members to which any such entry ticket may be subject.
