

4157 \$10 \$300 Grand

How to play

1. Scratch each Game panel ('Game 1' to 'Game 10'). Find the exact same number three times in a single Game to win the corresponding prize shown for that Game.
2. Scratch the Multiplier Panel. Reveal a '2x' symbol in the Multiplier Panel to double any prize you have won in a Game. Reveal a '5x' symbol in the Multiplier Panel to win 5 times any prize you have won in a Game. Reveal a '10x' symbol in the Multiplier Panel to win 10 times any prize you have won in a Game.
